

# Konstantinos Lampropoulos

Software Engineer

## CONTACT INFO

Athens, Greece

(30) 6980853079

konlampro94@gmail.com

## OBJECTIVE

I am looking for a Junior Software Engineer position where I would ideally be able and willing to participate in various projects and work with different software stacks. I enjoy learning new things, especially tech-related.

## EXPERIENCE

### ExMachina, Software Engineer Intern

JUNE 2018 - AUGUST 2018

Participated in the development and integration of a machine-learning web app that performed predictive analytics.

### Military Service

JANUARY 2020 - OCTOBER 2020

## EDUCATION

### University of Thessaly, Volos — Electrical & Computer Engineering

OCTOBER 2013 - NOVEMBER 2019

## LANGUAGES

English (C2 level)
